The petition for belated discretionary review is hereby denied. Fla. R. App. P. 9.141(c)(4)(G); *Sims v. State*, 998 So. 2d 494, 499-500 (Fla. 2008) (suggesting that counsel's obligations during the direct appeal process do not extend to the filing of a notice to invoke or otherwise suggest that criminal defendants have the right to the effective assistance of counsel in seeking discretionary review). No motion for rehearing will be considered by this Court.
